

# Bravo Buddies Music Camp Highlights

Bravo Waukegan recently completed its ninth season of Bravo Buddies Music Camp this summer, with a record 112 students in attendance. Each student received individual music lessons during the week, and on Fridays all students joined together for sectionals and orchestra rehearsal, followed by a performance and program from our special musical guests. The culmination of the event took place July 12 when all students performed for a special Family Concert, followed by an ice cream party. Below are a few clips from our final Fun Friday Family Concert.
